Areas of Interest / Specialization

My research work explores the history of kashiraj. It deals with the real question of history of kashiraj. Here i argue that though around fifty books have been written on history of kashiraj but it limits the arena upto the era of kings or it is incomplete. The books like "Bharatvarshiya" written by Niranjn Mookerjee and Dr. Motichand's "kashi ka itihis" deal only sarbhom kashi ka itihis.one can find history upto Udit Narayan Singh but dont find anything after him. The scripts written deal Balwant Singh and Chet Singh,therefore the rest of history of kashiraj is yet to be explored.
