- OATH CEREMONY
- DUMB CHARADES
- JUST A MINUTE

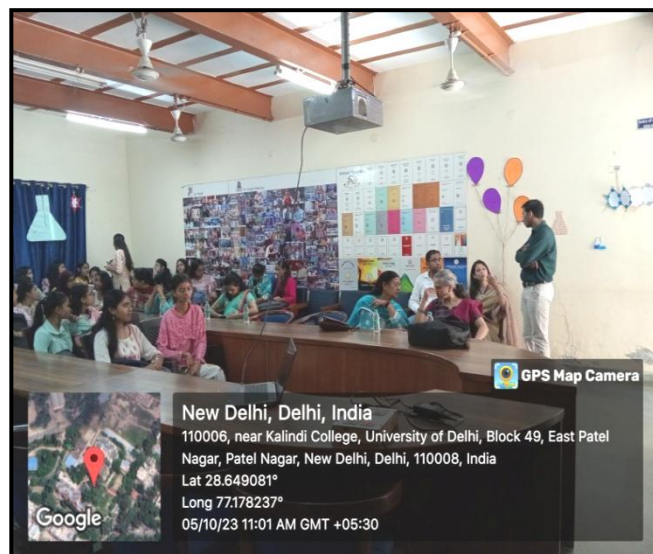

With exciting PRIZES

Dr. Renu Bala
Convener

Names of the Resource Person/s: Mr Pradeep Singh Rajpat CEO, Chem Academy

Detailed Report:

Kalindi College's chemical society, RASAION, hosted the Career Counselling Session and the Academic Year 2023-24 Inauguration Ceremony on October 5, 2023. The event took place in the TRI Block conference room starting at 10:30 am. The society president, Ananya Jha, began by welcoming all of the dignitaries. The potted plants were given to the dignitaries as a sign of respect.

BADGE CEREMONY

Third-year students Jigyasa Singh and Sakshi Yadav initiated the Badge Ceremony. All eight of the Chemical Society's office bearers:

President – Ananya Jha

Vice President – Annu Yadav

Cultural Secretary – Amisha Bhatt , Gracy Maurya

General Secretary – Isha

Joint Secretary – Disha Goel , Samridhi Nath

Treasurer – Fiza

Alongwith the class representatives of all the three years :

CR of First Year – Nidhi , Kajal

CR of Second Year – Kiran , Maivish

CR of Third Year – Garima Arora , Kajal Gill

Were given there badges by the convener Dr. Renu Bala , Dr. Shilpika Bali Mehta , Dr. Aparajita Gaur .

OATH CEREMONY

Following the badge ceremony, each office bearer swore an oath promising to carry out their responsibilities with diligence. They made an oath to dedicate themselves entirely to the welfare and advancement of society, and to constantly uphold and fulfil their duties in a sincere manner. Following the oath ceremony, a group portrait was taken of the teaching staff, staff advisors, convenor, and all office bearers.

DUM CHACADES:

There was a game called Dum Chacades following the oath ceremony. Two groups of four second-year students were present. Three members of the team had to predict the name of the element after one team member was given the name of an element from the periodic table and had to pretend to be the element. The "Muffin" team Maivish, Kiran, Fiza, and Gungun won the match after eight rounds.

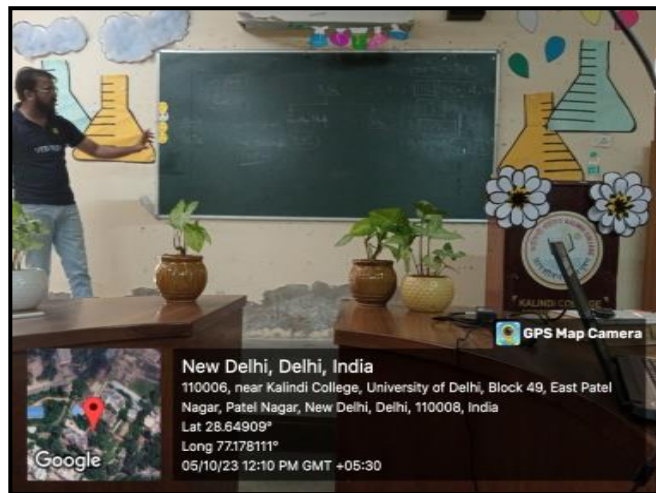

GREETINGS TO THE GUESTS:

The distinguished visitors arrived following the Dum Chacades activity. Mr. Pradeep Singh Rajput, Mr. Anurag Dang, and Miss Vibha Singh from Ved Prep Chemacademy were among the attendees. As a sign of respect, Dr. Upasana Issar, Dr. Meenakshi Verma, and Dr. Preeti Yadav presented them with the planters.

CAREER COUNSELLING LECTURE:

After the welcoming of the guests, The guest Speaker Mr. Pradeep Singh Rajput, CEO of Ved Prep Chemacademy , was introduced to everyone . Then the guest speaker addressed the students and gave the career counselling lecture and guided the students about their future. After the lecture he asked some questions from the students and gave some study materials to the winners of the quiz. Three students were given the study material.

SESSION OF VALIDICTORY:

Ananya Jha finished the ceremony by expressing gratitude to the distinguished visitors. All of the dignitaries, staff advisors, faculty, office bearers, volunteers, and students who attended and contributed to the success of the event were thanked.

Attendance sheet with signature of all the participants:

Detailed Report:

As part of the Vikshit Bharat Mission, Rasaion, the chemical society of Kalindi College, organised the Swacch Bharat Abhiyan. Beginning at 12:30 pm., the event took place on the college campus. Students were given gloves, dustbins, brooms, and posters that read the subject. All three year chemistry department students, lab staff, and staff advisers enthusiastically participated. The event began in the chemistry department and proceeded to the principal's office. Dr. Meena Charanda, the principal of kalindi college, supported the abhiyan by encouraging students to start additional drives and raising awareness among them. She also pledged to keep the college campus area tidy and clean. The drive then proceeded to the tennis court and then to the science lab after the abhiyan was carried on to August Kranthi Park, where the students and staff distributed the message of Swacchta. Finally, the students shouted the slogans about swacchta, and the staff advisory took another photo. The staff advisory expressed gratitude to everyone for attending the event. Yes, that was an inspiring abhiyan.

Rasaynika 2024, an annual intercollegiate festival, was held on February 28, 2024, by Rasaion, the chemical society of Kalindi College. Science for a sustainable future was the festival's theme. Sangam Parisar hosted the event starting at 10:00 am. All of the dignitaries were welcomed by the anchor, Kanishka, a 2nd year chemistry student, and Tanushree, a 1st year chemistry student. The dignitaries and office bearers, respectively, then lit lamps to begin the event. Dr. Renu bala, the department's Tic, presented the guest speaker with a potted plant as a token of appreciation. As a token of respect, Dr. Shweta gupta mam presented the tic mam with a plant pot.

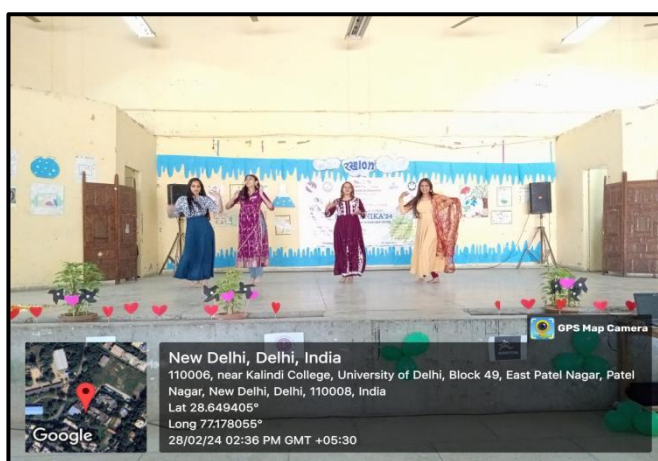

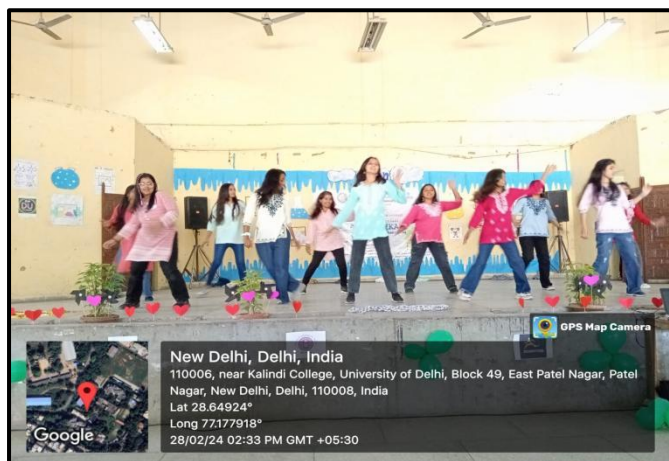

THE GUEST SPEAKER'S LECTURE :

Dr. Ruchir Gupta, the guest speaker, gave the first lecture on the subject of National Science Day. His research interests include edge computing, game theory, peer-to-peer networks, social networks, and machine learning. He is an associate professor in the chemistry department at IIT Varanasi, Uttar Pradesh, India. His knowledge and love for our ancient science inspired many students to investigate the vast options in the world of science. He had a terrific discussion, and the chemistry department's TIC, Dr. Renu Bala, honoured him by handling a plant pot as a mark of respect.

GROUP DANCE:

Following the lecture, several of the 3rd year chemistry department students performed a group dance. There were two components to the dance. In the first, there were nine students (Neha, Sonia, Shivani, Gunjan, Nitika, Shagun, Rupa (3rd year), Vandana (2nd year), and Amisha (1st year) participating in a free-style Bollywood dance, and in the second, there were six students (Raksha, Priya, Kavya, Neha, Khushi, Shivangi (3rd year). The performance was a huge hit with everyone.

The quiz, Kaun Banega Chempati, was the first activity of the day. It was led by chemical society cultural secretary Gracy Maurya, chemistry department 3rd year student Areeba, and chemical society vice-president Annu Yadav. Fifteen people have signed up for the event. Teams of no more than two people were permitted. Dr. Yogesh Kumar Sharma and Dr. Shiv Kumar served as the event's judges.

This quiz's subject was general science. There were two parts to the quiz. All teams participated in the 1st section, which was written and allowed 15 minutes to try 15 questions. Five teams out of a total of fifteen were chosen. In the 2nd round, each team was assigned a question, and the answers were graded based on the questions. The following were the event's winners: 2nd year chemistry students Fiza and Gugun got first prize. 3rd year chemistry department students Garima Sharma and Garima Arora took 2nd prize. Two teams, Maivish and Kiran, who were 2nd year chemistry students, and Chetna and Vaishali, who were 3rd year chemistry students, tied for third prize. It was a thrilling occasion.

After the Kaun Banega Chempati programme, some 1st and 2nd year chemistry students performed a group dance. The audience demanded that the performance be repeated because everyone loved it so much.

GUCOMPETITION, DU, etc.

Chembola was the next event. This is comparable to tambola, with the addition of element symbols in place of the numbers and the crossing out of the elements symbols. The vice president of the Chemical Society, Annu Yadav, oversaw this event. Anjali Sherawat and Dr. Rajesh Kumar Meena served as the event judges. There were 35 entrants in all for this event. The whole house received two prizes. The event's prize winners were Gracy Maurya B.Sc. (H) Chemistry, 2nd year and Ananya Jha B.Sc. (H) Chemistry, 3rd year). It was a very fun occasion.

The 4th activity of the day was a puzzle huddle, which is similar to a crossword puzzle. Participants were required to respond appropriately to questions about fundamental chemistry. Students must solve as many puzzles as they can. Isha, the general secretary of the Chemical Society, and Niharika, a 2nd year chemistry student, oversaw this event. The event was judged by Dr. Meenakshi Verma and Dr. Shweta Gupta. These were the events' respective winners. Garima Sharma, a 3rd year student in the chemical department, took first prize, and Garima Arora, also in the chemistry department, took 2nd prize. At number 3rd, there was a tie. It was taken by 2nd year students Kiran and Fiza. It truly was a brainstorming session.

GROUP & SOLO DANCE:

Three 3rd year students, Sakshi Yadav, Jigayasa Singh, and Srestha Teli, performed it. They danced freely, and it was a huge hit with everyone. Gungun Suwalaka, a 2nd year chemistry student, and Simran, a 3rd year student, performed solo cultural dances.

FILLERS:

The enthusiastic participation of students from many departments further added to the liveliness of the event.

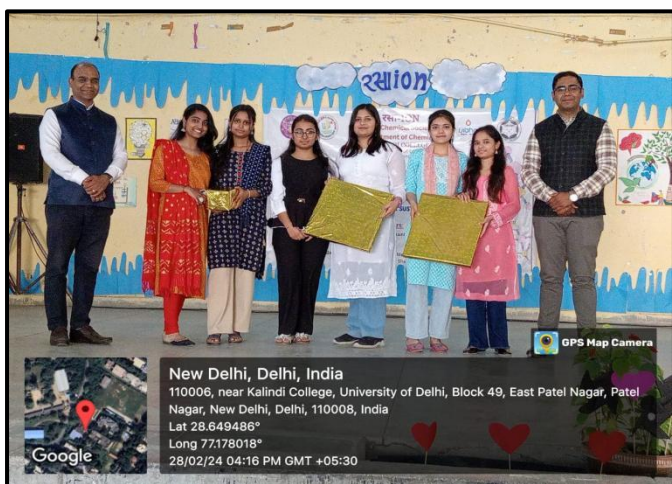

ARTIST PERFORMANCE:

"The hilarious performance by the talented singer Aakash Goswami made the annual festival RASAYNIKA '24' even more memorable." His calming performance won the students over. Dr. Rajesh Kumar Meena, Dr. Kapil Mohan Saini, Dr. Sajid Iqbal and Dr. Shiv Kumar presented him with a plant pot and presents as well as their best wishes.

VALIDICTORY SESSION:

Last but not least, our anchor Kanishka and co-host Tanushree revealed the winners of every event. Our staff advisors presented the winners with wonderful presents as a token of appreciation. Kanishka and Tanushree gave a vote of gratitude to everyone who participated in the event and provided assistance in making it a success.

GUEST SPEAKER

Dr. R. K. Kotnala
(Chief Editor-Current Natural Sciences @ Engineering (CNS@E), Chairman NABL (2020-22), Professor AcSIR Emeritus, FNASc, FIGU, FMSI, Raja Ramanna Fellow (INO) DAE, Sigma Xi Elected Member, Former Chief Scientist and Head, Environmental Sciences and Biomedical Metrology, CSIR-NPL)

Prof. Meena Charanda
Principal

Staff Advisors:

1. Dr. Kapil Mohan Saini
2. Dr. Shweta Gupta
3. Dr. Shiv Kumar
4. Dr. Rajesh Kumar Meena
5. Dr. Yogesh Kumar Sharma

DATE: 3rd MAY, 2024
VENUE: TRI-5
TIME: 10:30 AM Onwards

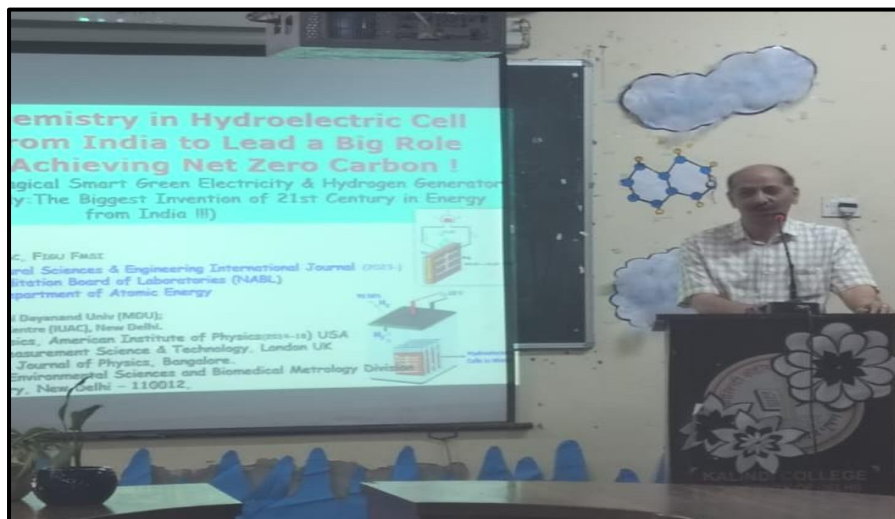

Dr. Renu Bala
TIC, Department of Chemistry

Detailed Report:

On May 3, 2024, Rasaion, the chemical society of Kalindi College, held its closing ceremony for the 2023–2024 session in TRI-5. The event began with a welcome from the vice president, Annu Yadav, and Tanushree, a first-year student of the chemical society. The dignitaries lit the lamp and Annu Yadav gave the guest speaker, Dr. RK Kotnala, a plant pot, while our staff advisor, Dr. Yogesh Kumar Sharma, presented the convenor with a plant pot as a token of respect.

LECTURE BY THE GUEST SPREAKER:

First, a talk on his study topic was given by guest speaker Dr. R.K. Kotnala. An Indian scientist, Dr. R K Kotnala is internationally recognised for his outstanding contributions to the fields of net carbon zero, hydroelectric cells, water splitting by non-photocatalytic processes, nanomaterials, multiferroics,

spintronics, magnetics, and biomedical devices metrology. Together with Dr. Jyoti Shah, Dr. Kotnala has made a significant contribution to the groundbreaking development of a clean and green energy technology called the hydroelectric cell through his unwavering commitment and hard work. An extraordinary, amazing, and miraculous innovation in the field of green energy, the hydropower cell is the key to reaching net carbon zero. Dr. Kotnala is renowned in the scientific community for his exceptional work in the fields of environmental sciences, solar cells, multiferroics, spintronics, clean energy, and values of scientific ethics. He has authored numerous books and chapters in addition to giving innumerable scholarly presentations in a variety of fields. Additionally, he is educating young people about science by giving a lot of invited presentations and making YouTube movies about basic scientific ideas.

As a token of appreciation, Dr. Renu Bala, the convenor of the chemistry department, and Dr. Aparajita Gaur gave him a gift and a memento. His inspiring speech inspired all the young minds to pursue the career path he suggested.

SOLO DANCE:

Following the lecture, Preeti, a second-year student, gave an incredible rendition of a traditional dance. Everyone had a great time.

MISS FAREWELL CONTEST:

The most anticipated part of the closing ceremony took place following the elegant dance. Dr. Upassana Issar, Dr. Anjali Sherawat, Dr. Shweta Gupta, and Dr. Rajita served as judges. Three rounds of the competition were held. In the first round, which was a ramp walk, competitors had to show off how they walked and carried themselves. The chosen applicants from the first round were expected to perform any kind of talent, such as singing or dancing, in the second phase, which was called the talent showcasing round. The third round was called the question-answer session, where the candidates were required to respond to the questions. All of the third-year girls took part in the event with great enthusiasm; fourteen of them were chosen for the second round after walking gracefully during the song. Sakshi Yadav, Shrestha, Jigyasa Singh, Priyanka Mishra, Shalini Kumar, Garima Sharma, Mahek, Areeba, Smniti, Prachi, Kajal Yadav, Simran, and Ananya Jha were the candidates considered for the second round.

After showcasing their skills, five of the 14 candidates were chosen for round three, which is the question-and-answer round. Candidates Simran, Jigyasa, Areeba, Garima, and Kajal Yadav were chosen for the third round. Each of our anchors, Maivish, Kiran, Fiza, and Gungun, asked them a question individually. They all provided flawless answers to their questions, and the winners were

Kajal yadav (winner)

Garima Sharma (first runner up)

Areeba Suhail (second runner up)

SOLO DANCE:

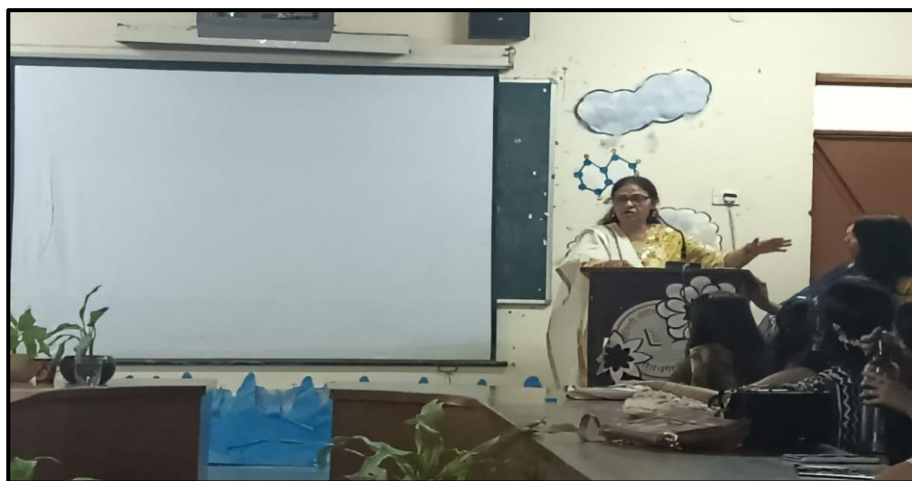

Following the Miss Farewell Contest, a second-year Isha student gave a Haryanvi dance performance. After the dance performance, Annu Yadav, Vice President of the Chemical Society, gave a speech in which she bid farewell to the third year students. The hearts of the audience were moved.

PPT PRESENTATION:

Following the dance performance conclusion, a student-recorded film clip showcased the third-year students' moments. The clip was unforgettable. Everyone was able to recall their past experiences and the times they had spent together.

Message by TIC Dr. Renu Bala:

Our esteemed convener Dr. Renu Bala gave tokens of affection to all third-year students on behalf of the chemistry department. She also greeted them with warm words and wished them well in their future.

CERTIFICATE DISTRIBUTION CEREMONY:

The last event of the closing ceremony was the certificate distribution ceremony in which the winners of the previous events and the office bearers were awarded with the certificates by our staff advisors Dr. Shweta Gupta and Dr. Rajita . Rasaion, the Kalindi College Chemical Society, had a very successful ending event for the 2023-24 academic year.

Attendance sheet with signature of all the participants
